Watch: Heavy sandstorm causes orange haze and low visibility across southern Iraq

More than 1,000 people have been left with respiratory problems after a sandstorm swept across Iraq's central and southern parts of the country, health officials said.

One official in Muthanna province reported to the AFP

Who do you think will come out stronger in the US–China trade war?

- China – They can absorb the impact better
- US – Trump's aggressive tariffs will work
- Neither – Both economies will suffer
- The rest of the world loses in this fight
